A food concession staff on the Skateway was assaulted on his way home this weekend on Elgin St. The man was arrested by the police. The concession is located at Concord Rest Area. Refer to the text below.

As a reminder, the weekend before this past one, BearveTails staff were verbally harassed while working as well as when they were walking to the bus station. On an other incident, one of the staff had his/her protective mask taken off. That concession is at Rideau Rest Area.

Generally speaking, the type of incidents that we're having on the Skateway is protester verbally harassing mostly concession staff who wear their mask.

Hi Carl, Just an fyi that one of our canal staff is in the hospital because he was assaulted by a protestor on his way home over the weekend.

His friend who is of Asian descent was accused of being the cause of Covid:-).

Given the current state of emergency we are going to hold off on re-opening until at least Wednesday when police reinforcements clear

some of these rogue elements.

I trust given the circumstances you will understand.

Thanks, Mark (Dunrobin)
